• www.linkedin.com/in/atul-gulia-a27851242

An enthusiastic student and full-stack developer with hands-on experience in web development, educational technology, and data analytics. Passionate about creating innovative solutions—from dynamic portfolio websites to feature-rich educational platforms integrating AI and database technologies. Demonstrates strong analytical skills, a drive for continuous learning, and a commitment to delivering impactful results on academic and real-world projects.

Experience

SEPTEMBER 2025 – PRESENT

Internship Experience Entry | SGT University | Gurugram, Haryana

- Currently pursuing a university-authorized internship under the supervision of Dr. Bharti Raina, Head (CCC), contributing to the coordination and management of key administrative operations.
- Responsible for daily office tasks, compliance with university regulations, and supporting project workflows during regular office timings (08:30 AM – 04:30 PM).
- Participating in ongoing performance reviews, aligned with departmental KRA's and KPI's, while actively assisting coordination initiatives within the Central Coordination Cell.

AUGUST 2025 – SEPTEMBER 2025

Internship Experience Entry | Tamizhan Skills | Remote

- Successfully completed the RISE Internship Program, focusing on Python programming and practical application of coding skills.
- Demonstrated dedication by actively participating in learning sessions and hands-on projects, completing assigned tasks with enthusiasm.
- Developed strong programming abilities and contributed to collaborative remote projects, maintaining consistent commitment throughout the program

NOVEMBER 2025 – MAY 2025

Edge Coordinator | Tata ClassEdge | G.D. Goenka Public School, Jhajjar

- Coordinated and synchronized data between local systems and remote servers, ensuring high data accuracy, consistency, and integrity across platforms.
- Proactively detected and reported system failures, enabling swift issue resolution that minimized downtime and maintained operational continuity.
- Generated comprehensive weekly and monthly reports, tracking key performance metrics and project progress, which enhanced project visibility and fostered stronger team collaboration.
- Played a vital role in supporting digital education infrastructure, improving data flow and communication between stakeholders within the educational ecosystem.

- Contributed to process improvements by providing timely feedback and insights that streamlined overall data management operations.

Certifications

- RISE Internship Program in Python Programming, Tamizhan Skills.
- Certificate of participation in India's Biggest Web3 & AI Hackathon, HackIndia
- Certificate of completion in Core Java, Internshala.
- Certificate of completion in AI for Beginners, HP Life.
- Certificate of completion in Introduction to Cybersecurity Awareness, HP Life.
- Course completion Certificate of SAP(ABAP), P.D.M University.
- Participated in the Game of Codes, P.D.M University.
- C.B.S.E Inter school Sports and Games Participation certificate in JUDO, C.B.S.E Cluster.
- Certificate in School Level Painting Competition, G.B.S.S.S No.3.

Skills

- Programming Languages: Basis Java, Python
- Web Technologies: HTML, JavaScript, React
- Database Management: SQL Workbench, MySQL Workbench, Excel
- Operating Systems: Windows, MacOS
- Development Tools: Visual Studio, MySQL Workbench
- Technical Strengths: Data synchronization protocols, proactive system failure detection, data consistency, report generation (weekly/monthly), problem-solving, communication, and teamwork
- Additional Skills: Adaptability, proactive learning, analytical thinking, project coordination

Education

AUGUST 2024
Master of Computer Applications (MCA) SGT University, Gurugram, Haryana
Currently Pursuing

MAY 2022
Bachelor of Computer Applications (BCA) P.D.M University, Bahadurgarh, Haryana
Graduated with 8.19 CGPA

Activities

Hackathon • Literature • Art • GYM • Games • Travel
